HELP! Has anyone done the easy level true/false question? I'm a little confused about it...

John

Emma

Same! Confuse too... Please Help!

Hello Emma and John,

It's a little bit hard to find the answer for the true/false question, but the answer is actually hide in the information page of Northeast China! Hint: be sure to look at the first text box!

Does anyone know other Chinese traditional food except Peking Duck??? BTW, Peking Duck looks really good...

I went to Shanghai last year and ate a kind of bun called Xiaolongbao. It was delicious! You should try it!

Dennis

Cathy

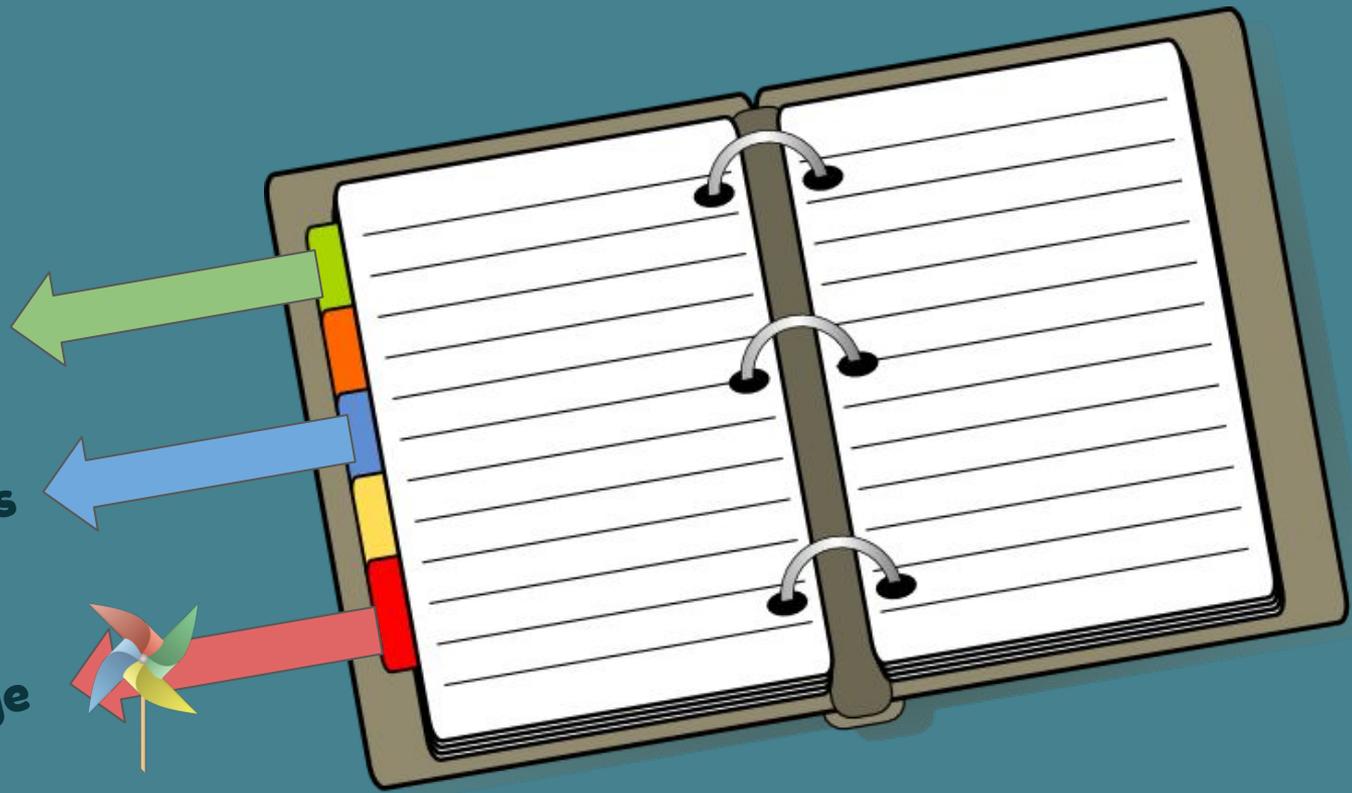

I have a Chinese friend and she invited me to her house for a traditional Chinese festival (sorry I forget the name of the festival...) We had a kind of dessert called Tangyuan. It was sweet and I really like it!
